

The Child Wellbeing and Safety Act 2005 (Vic) (the Act) requires College to investigate and report to the relevant authorities any reportable conduct that may involve reportable conduct.

A copy of this policy may be found [here](#).

College will ensure that all staff, Volunteers, Third Party Contractors, the Board, parents/carers and students meet their obligations under the Act.

For more information on what to consider when conducting an investigation, see the Information Sheet 4 Investigation overview.

A Police investigation into any matter takes priority over an investigation by the College. On becoming aware that the Police are investigating

- if necessary for the purposes of an investigation, an independent investigator
- if necessary for the purposes of a Working with Children Check, the Secretary to the Department of Justice and Regulation
- a relevant Minister

The College must not publish information that would enable the identification of:

- a person or who notified the CCYP
- a child in relation to whom a reportable allegation was made or a finding of reportable conduct was made.

The Act provides more information on the meaning of 'publish', which includes making the information publicly available in writing or email.

The CCYP has broad powers under the Act in relation to investigating a reportable allegation at the College. The CCYP may visit the College, inspect documents and interview Staff or students involved in the reportable allegation.

The College must assist the CCYP in all reasonable aspects of its investigation.

The College maintains records of these reportable allegations, written reports and reportable conduct investigation findings indefinitely.
